As a spirit medium, Karen T. Hluchan has helped clients connect with deceased loved ones, guardian angels, and archangels. Her work has taken her across the United States, and has included training with renowned mediums José GossChalk, John Holland, James Van Praagh, Tony Stockwell, and Marilyn Whall. Hluchan's new book, *How Have You Loved?* (published by Balboa Press), compiles the knowledge she collected from meditations and spirit readings to bring messages directly from heaven to readers about the divine purpose of living on earth.

"Today's society is becoming increasingly interested in mediumship and our connection in spirit with one another," Hluchan observes. "As light is shed on these topics, a significant shift in consciousness and spiritual beliefs has occurred. The expansion of knowledge and understanding about heaven, God, ourselves, and the spirit that resides within every being is positively affecting the well-being of souls on earth."

"How Have You Loved?" presents inspiring and compelling messages about the importance of love and the evolution of the soul. Hluchan shares empowering information and guidance for making the most of time on earth through the practical application of thought management, self-love, and inherent metaphysical abilities.

Hluchan focuses much of book on the soul, its evolution, and purpose on earth. Using messages she received from archangels, spirit guides, and other heavenly spirits, Hluchan answers some of the most difficult philosophical questions, such as what the purpose of life is, what happens after death, and whether heaven truly exists.

Hluchan says "How Have You Loved?" provides answers and guidance about questions regarding our souls and the existence of heaven, extraordinary ways that spirits communicate and methodologies for getting the most out of our time on earth."
